

Addendum #1 Clarifications Architect Services Rehabilitation

November 1, 2011

Two questions about the RFQ for Architect Services for Multifamily Rehab were submitted. They are below with response.

1. What is the budget estimate for the project and/or five years?

One identified rehabilitation project has an estimated rehab budget of \$1.2 million. It is a 74-unit complex. Other possible rehabs have not been studied in detail at this time.

2. Who has requested/is responding to the RFQ?

We will not release a list of those who have indicated interest in the RFQ. It was also made available online; there may be proposers who have not made contact with the Authority at this time.

There have not been any additions or changes to the RFQ.
